REMARKS

Applicant's Attorney acknowledges and confirms his telephone conversation with the Examiner on November 3, 2004, wherein a provisional election without traverse was made to prosecute the structure of the invention recited in claims 1-5. This election is hereby affirmed. Claims 6-8 have been cancelled reserving the right to file the same in a divisional application.

To comply with the Examiner's suggestions, both the Specification and the Abstract have been amended to define the acronyms UMTS and UTRA. The heading SUMMARY OF INVENTION has been inserted into page 4 after line 17. Also, the specification has been reviewed and it is believed no further errors need to be corrected.

The claims have been modified to provide better form and care has been taken to recite structure with proper antecedents as noted by the Examiner.

Applicant appreciates the allowance of Claims 4 and 5 and the indication that Claims 2 and 3 would be allowable if rewritten in independent form. Accordingly, claim 1 has been
